

Phase-End Project

Railway Crossing Status

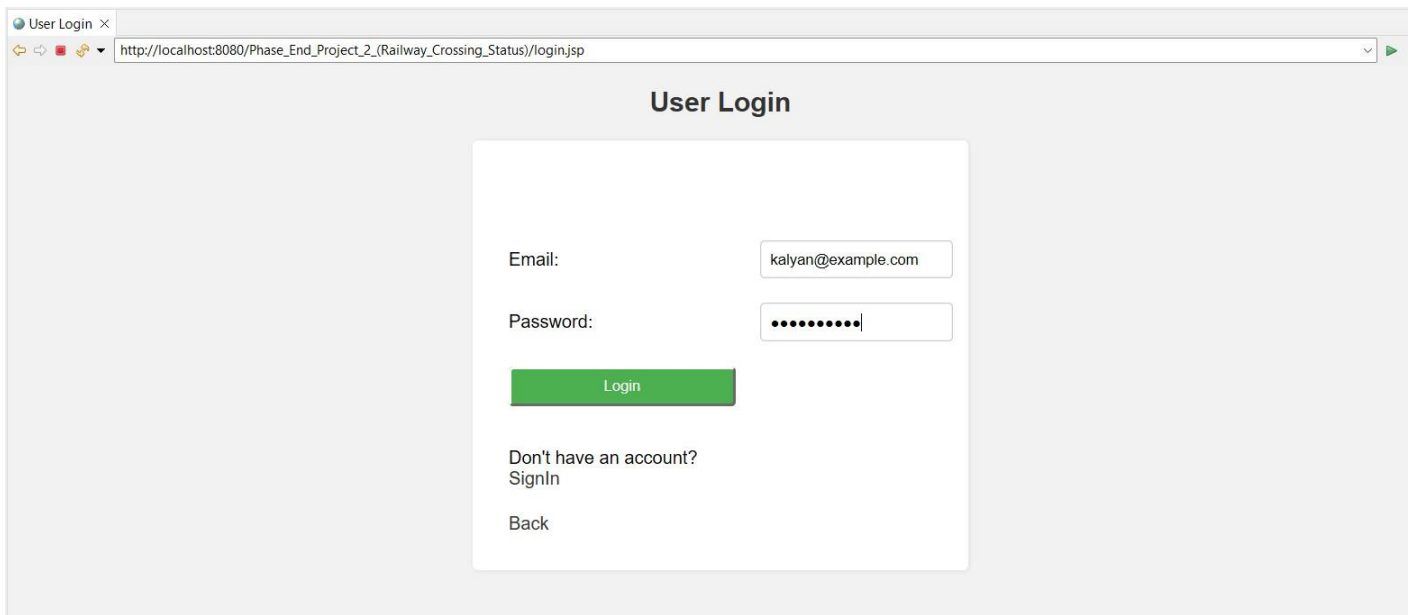

- Output
- ✓ Home Page (Index Page)

- ✓ User Register Page

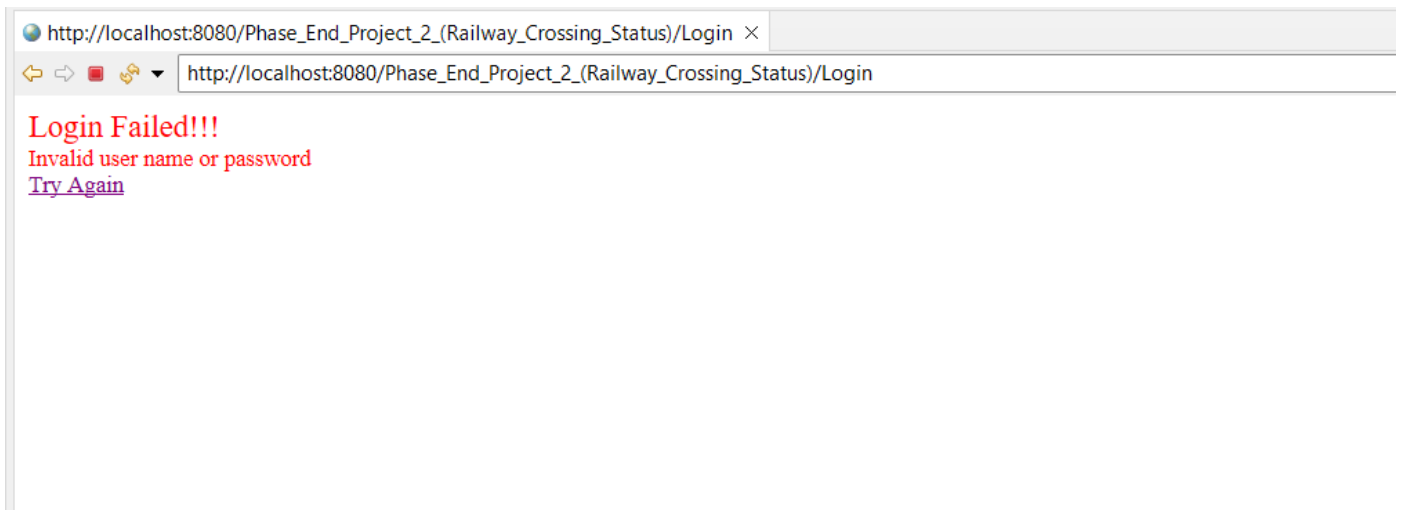

✓ User Login Page

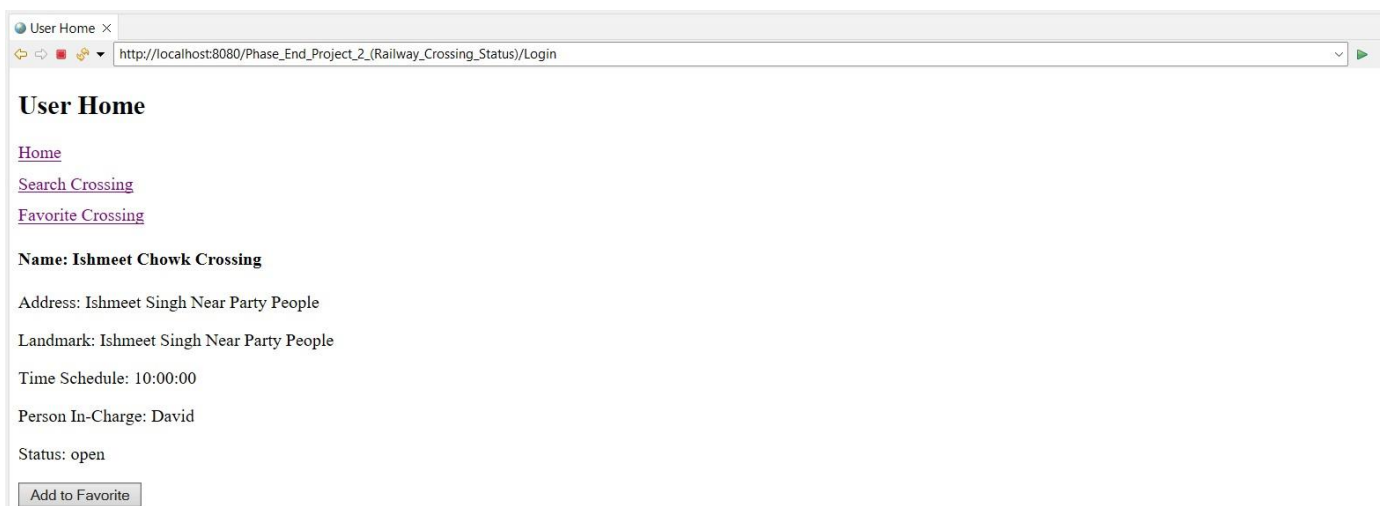

The screenshot shows a web browser window with the title "User Login". The address bar displays the URL "http://localhost:8080/Phase_End_Project_2_(Railway_Crossing_Status)/login.jsp". The page content features a central white box with the heading "User Login". Inside this box, there are two input fields: "Email:" with the value "kalyan@example.com" and "Password:" with masked characters ".....". Below these fields is a green "Login" button. At the bottom of the box, there are three links: "Don't have an account? SignIn" and "Back".

✓ User Login - When User Enter Invalid Details

The screenshot shows the same web browser window as before, but the page content has changed to display an error message. The text "Login Failed!!!" is shown in red, followed by "Invalid user name or password" in red. Below this, there is a purple link that says "Try Again".

✓ User Home – Display Railway Crossing Data & Status

The screenshot shows a web browser window with the title "User Home". The address bar displays the URL "http://localhost:8080/Phase_End_Project_2_(Railway_Crossing_Status)/Login". The page content features a heading "User Home" followed by three links: "Home", "Search Crossing", and "Favorite Crossing". Below these links, there is a section for "Ishmeet Chowk Crossing" with the following details: "Name: Ishmeet Chowk Crossing", "Address: Ishmeet Singh Near Party People", "Landmark: Ishmeet Singh Near Party People", "Time Schedule: 10:00:00", "Person In-Charge: David", and "Status: open". At the bottom of this section, there is a button labeled "Add to Favorite".

✓ Admin Login Page

The screenshot shows a web browser window with the title "User Login". The address bar displays the URL "http://localhost:8080/Phase_End_Project_2_(Railway_Crossing_Status)/adminlogin.jsp". The page content features a centered heading "Admin Login". Below the heading, there are two input fields: "Name:" with the value "Admin" and "Password:" with masked characters "•••••". A "Login" button is positioned below the password field.

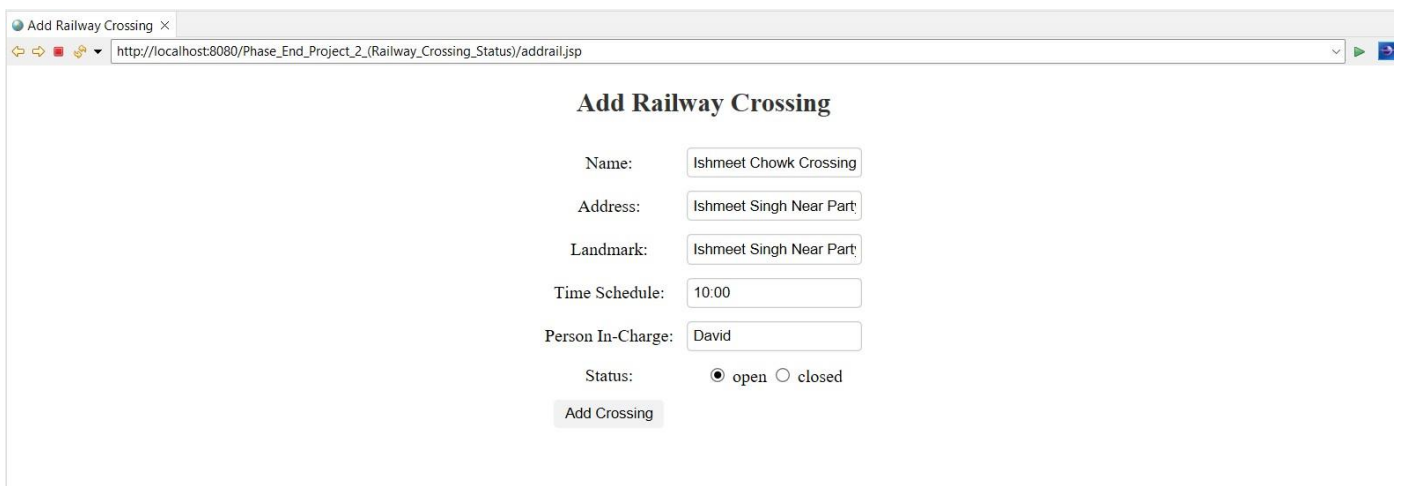

✓ Admin Home Page – Before Adding Railway Crossings

The screenshot shows a web browser window with the title "Admin Home". The address bar displays the URL "http://localhost:8080/Phase_End_Project_2_(Railway_Crossing_Status)/AdminLogin". The page content features a centered heading "Admin Home". Below the heading, there are four navigation links: "Home", "Add Railway Crossing", "Search Crossing", and "Logout". Below these links is a table with the following structure:

Sr.No	Name	Address	Landmark	Time Schedule	Person In-Charge	Status	Action
-------	------	---------	----------	---------------	------------------	--------	--------

✓ Add Railway Crossing

The screenshot shows a web browser window with the title "Add Railway Crossing". The address bar displays the URL "http://localhost:8080/Phase_End_Project_2_(Railway_Crossing_Status)/addrail.jsp". The page content features a centered heading "Add Railway Crossing". Below the heading, there are several input fields and a status selection:

Name: Ishmeet Chowk Crossing

Address: Ishmeet Singh Near Part

Landmark: Ishmeet Singh Near Part

Time Schedule: 10:00

Person In-Charge: David

Status: ☒ open ☐ closed
